## Matching Finishes

### Match The Faucet Finish

Our 9 finishes for Bath Accessories blend with finishes from many faucet manufacturers

Hold our toilet tissue rod up next to a faucet to compare our finish to the faucet finish

### Matching Knobs and Pulls

The Top Knobs Bath Accessories all have knobs and pulls with matching styles and finishes. This provides a unified look throughout the house in the bath, kitchen, mudroom, and closets.

### *Precision*

All pieces have a tight, secure fit.

### *Strong*

Brass towel bar rods for added strength.

### *Secure*

The set screws are tight, making a secure and tight connection to the wall.

### *Quiet*

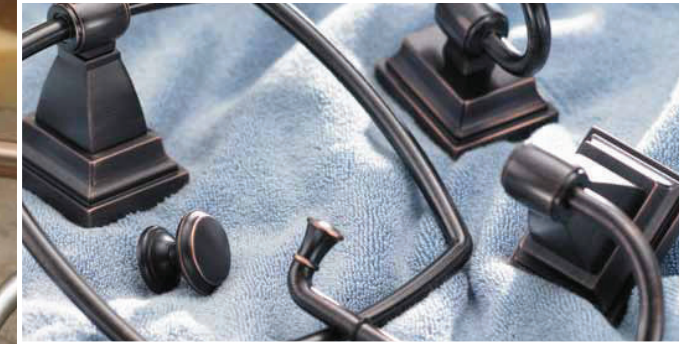

Locking towel bar rods (they don't roll). Anti-rattle towel rings and tissue holders.

### *Solid*

Solid, sturdy construction and feel. Hold the tissue holder rod in your hand. Feel the weight and quality difference.

### *Lasting*

Lifetime Warranty for defects in materials and craftsmanship.

## Style & Craftmanship
